RE: APEX Group, Inc.'s letter of recommendation

To Whom It May Concern:

APEX Group just completed work for the Seville HOA at Seville Golf & Country Club in Gilbert AZ and we must say; the work was the best we have seen. Their staff was amazing to work with, very communicative during the process. The crew completed the job as planned and the crew was extremely proactive in working with the homeowners. We so appreciated the great attitude the crew had in dealing with us & the homeowners.

We will definitely use APEX Group again for our Asphalt needs and highly recommend APEX Group.

Sincerely,

Nancy Wojtas
