RE: Apex Group, Inc.'s letter of recommendation.

To whom it may concern:

Our firm has had the distinct pleasure of working with Apex Group, Inc. on many occasions over the past few years. They have performed various tasks for us, such as paving large subdivision streets, parking lots, and even asphalt pedestrian paths. Their pavement seal coating and crack sealing expertise and products are second to none. Their company places great emphasis on customer service, integrity, and workmanship.

Apex Group, Inc. staffs their projects with superior craftsmen, all extensively trained and well experienced. Their management personnel are courteous and fair. We are impressed with their willingness to participate in positive solutions to whichever problems present themselves during the course of completing a project. Their billing is accurate and well supported.

I recommend Apex Group, Inc. for all things asphalt related.

Sincerely,
